Q3 & Q4

Goal 1

Goal 2

Goal 3

Q1

Foundation for scale

at risk

Operationalize year-round support with SOPs in ClickUp; launch workflows for 50% of clients

Chatbot pilot launched with 20 groups

Hartford and SunLife sign first 3 full-service clients each

Define standard implementation plan for carriers + brokers per product

Hire and onboard new sales, marketing, AI training, and forward-deployed roles

Create repeatable playbook for sales + FD teams (pricing, marketing, pitch, FAQs)

Q2

The machine is working

in progress

Formalized training for brokers + carriers to use Pasito (not just refer)

Marketing constant + enabling partners to sell; measured by partner referrals

- Sales processes + reporting like a well-oiled machine
- FD team has facilitated \$300K in new revenue from existing partners
- 90% of employers have had product touchpoints with Pasito ahead of Q3

Q3 & Q4 Operational excellence

upcoming

- Implementation timelines shrink to 1 week per employer
- FD team proactively sets up brokers + carriers for open enrollment success
- Partners self-serve by default; FD focused on enablement, not execution
- Every broker knows Pasito
- FD team facilitates \$700K in new revenue from existing partners
